3-19-2008MICHAEL W. DOBBINS
CLERK, U.S. DISTRICT COURT

I MR. Wardell Bright, Case Number: 07C7197;
I was denied Counsel. I am having the following
problems:

There are witnesses on my case that are
being turned away, by my public Defender; Ms. Brett
Balmer. I had the witnesses, too get in touch with
her, at the public Defender's Office. I sent out
letters all over the Streets where, I was
Victimized, and gave a case. The letter's was
address (Resident's Mail), Because I do not know
who saw or heard (What), that night. Me not
being in an abandon building. And me being beaten
badly. I wrote looking for witnesses (Saying),
If they witness any of the above, that night.

Too, get in touch with my public Defender:
Ms. Brett Balmer, My Judge: Mr. Dennis J. Porter
OR Me, Wardell Bright #20070072575. Witnesses
Call my public Defender: Ms. Brett Balmer, and She
turned them away. She told me (She did that);
Saying that they only, witnesses the beating of me.
And that do-not matter. And they are the same
police Officer's, on the same case.

I don't know if somebody have gotten too
my public Defender, that maybe trying to
cover-up. What happen, that night or not.
But I know that is not right. I Need help!
